A MAN OF MYSTERY

The Clara Hammer Company appeared in A Man of Mystery in Robertson Hall last night. Notwithstanding a large number of counter attractions, the hall was fairly well filled. The play throughout was of a superior nature, full of stirring scenes, which culminated in the exposure of the man who was leading a double life, that of a dutiful son and of the leader of a gang of thieves. Dave Williams as Noah Lott, the colored servant, furnished loads of amusement. Howard Sullivan, as Ned Archer, the private secretary, was, perhaps, the strongest character of the play. Miss Hammer took a somewhat minor part in this play, but when she spoke, the house listened for her every word, in speaking to her companions in crime, her words were most cuttingly sarcastic. All the characters were strong in their several parts and the most active interest was sustained throughout. The specialties were of a very superior nature. The juggling was remarkable and was greatly enjoyed by all. The Gervilles, in their musical specialties, were very much appreciated. The company plays the popular comedy drama, Brother Against Brother, tonight. No one can afford to miss the entertainment.

LOCAL

—Excellent exhibition weather.
—Train left Red Deer on time.

—Heavy showers of rain fell down the line yesterday.

—The recent Wetaskiwin fire has thrown sixty people out of employment.

—William Trainor, while attempting to swim the reservoir at Regina on Friday last was drowned.

—P. Talbot, M.L.A., brought a carload of his thoroughbred cattle from Lacombe for the Exhibition.

—O. Rives is moving from the Windsor Hotel harbor shop to the shop opposite the Merchants Bank.

—The Calgary Fire Brigade Band consisting of twenty-five pieces, is on hand with excellent music.

—C. E. Spencer, of Boone, Iowa, and H. S. Kiepping, of Westfield, Kansas, have been in Edmonton the past few days looking over this district.

—About seven hundred people arrived in Strathcona from the south last evening to attend the Edmonton Exhibition. A number stayed across the river last night.

—It looked bad for the fair last night when it began to rain, but the looks were the worst part of it as only a light sprinkle fell. The weather looks favorable today.

—A lacrosse match between Edmonton and Leduc will be played on the old race track behind the Hudson Bay store, at 7:30 o'clock this evening. An interesting match is expected.

—During the fair there will be four trains per day between Edmonton and Strathcona. In addition to the regular time card trains an extra will leave Edmonton at eleven o'clock every night.

—The Baptist convention meets in Calgary Wednesday, Thursday and Friday of this week. The delegates to the convention from Edmonton include Rev. Mr. McDonald, Mr. Giles, Mrs. Montgomery, M^{rs}. Petrie, Mrs. Beals and Miss Umbach.

—On Friday, the 26th, at St. Albert, before A. G. Hewitt and F. S. Mitchell, J.P.s, a charge was brought against J. B. Marchand, bartender at the Astoria hotel, of supplying intoxicating liquor to a treaty Indian. The charge was dismissed.

—The exhibition is in full swing. The entries are very large; the weather is excellent and everything points to a highly successful fair. Large crowds of people are in town and the main body of the people are not expected until tomorrow. The city has taken on a gala appearance and everything is in its best.

—Calgary Albertian.—The Orangemen will have a very large demonstration in Calgary on Monday, July 13th. A meeting of the committee was held last night, reports were received from the north, south and west which were of a very encouraging nature. It is now expected that Strathcona, Red Deer, Wetaskiwin, Edmonton, Lacombe, Innisfail, Olds, Okotoks, Athabasca, Spring Bank, and other places will be represented. In Calgary there will be a parade and a very complete entertainment at the Exhibition grounds. It will include speeches and athletic sports.

—Saskatchewan Herald.—Horse thieves are operating in the Prince Albert district and are very cheeky. Their modus operandi is to round up stray animals on the prairie, remove them, twenty-five or thirty miles to another settlement, and there sell them, preferably to new settlers. Several animals have gone this way lately, some of them from quite near town, and been disposed of in the Shell River district. The mounted police are on the trail of the offenders and someone will be made an example of shortly.

TUESDAY JUNE 30TH, 1903.

Winnipeg Markets

Commercial, June 27th.

Oats.—Business is steady and without special feature. There is no great demand for oats and the market holds steady at last week's range. There seems to be plenty of oats in the country but the large demand from railway contractors and new settlers coupled with scarcity of cars, which prevents shipment is holding up the price. Local feed merchants pay 32c per bushel for carlots of No. 1 white on track here and 31c for 2 white. Feed grade 29 to 30c. At Fort William No. 1 white oats are worth 32 1-2c per bushel. No. 2 white, 31 1-2c.

Barley.—There is scarcely anything doing in this grain. Shippers are quoting 38c for No. 3 and 37c for feed in store, Fort William. Local merchants would pay 32 to 34c for feed barley on the street here and about 1c more on the truck.

Wheat.—The local market for Manitoba wheat has been firm, but not active, as exporters are not buying. On the week there has been an advance of 3 3-4c in the price and at the close of business yesterday we quote: No. 1 hard 83 1-2c; 1 northern, 82 1-2c; 2 northern, 80c; 3 northern, 76c; and No. 4 wheat, 64c; spot, June or July delivery in store Fort William and Port Arthur.

BEAUMONT

Rev. Father Culver, superior of the Seminary at St. Albert, is spending a few days here at the mission and assisted in the celebration of the St. Jean Baptiste Society here on the 24th.

The procession of the Blessed Sacrament was held on Sunday after divine service, it being the feast of Corpus Christi.

Extensive preparations are being made for the celebration on the 24th. Speeches will be delivered by many of the visiting members and a program of sports will be carried out in the afternoon. Dinner will be served on the grounds. All welcome.

A friendly game of baseball was played between the Clearwater and Beaumont teams last week. The former won by a small score.

The Clearwater football club has practice twice a week.

Crops never looked better at this time of the year. Ideal weather prevails.

A basket picnic was held at Sandy Lake on Saturday by the residents of the Osokean district.

Jas. Cunningham has gone to work on his homestead in the Vermilion.

Mr. H. Lambert is spending a while at his ranch at Hay Lakes.

Leduc baseball club and the St. Albert nine are to play here on the 24th.

Mr. Royer recently arrived from France, has been taking numerous photographs of scenery, homes, etc., in this district.

June 21st.

ASTLEYVILLE NEWS

Congratulations to Mr. and Mrs. J. C. McCue on the birth of a daughter. Mr. W. Crull is hauling out logs and lumber for the new school, which is to be erected immediately.

We have four new settlers in this district, as follows: Mr. Wilton, Mr. Wilson (brother of above), wife and family; Mr. Rounselle, wife and family, and Mr. Brandon, late of Assiniboia.

Mr. W. Jones saw two deer in his grain field quite early one morning.

Several of the farmers in this district are busy brushing their land previous to breaking.

Mr. Cameron, government bridge builder, is out this week and with help is completing the approach to the bridge across the Sturgeon here, which will make it very much easier to cross.

The water in the river at this point is low enough to admit of fording, which at present is compulsory.

Mr. G. Warren's stable was accidentally burned down last week with six loads of hay.

WHITFORD

The district has just enjoyed a pleasant and useful rain, which makes everything have a fresher appearance and increases the growth of grain etc.

There is an abundant growth of grass and the promise of plenty of hay.

Mr. Carey is progressing favorably with the erection of his new store, which is nearing completion.

Football has a lively start in Whitford and we hope will develop into some close games before the season closes.

The mosquitoes are now making their appearance after the rain and apparently are bound to have their share in the development of the country. They seem to effect moral development, practical patience, perseverance, and stick-to-itiveness.

Mr. Linklater has almost completed his new residence, which is conspicuous at a considerable distance.

The road work has begun and now the mud holes are "getting fit." May they get a lot of them.

Mr. and Mrs. Robert Menzie had the misfortune to lose their infant girl, age four months and four days. After a short illness, she passed away on Sunday evening at seven o'clock. The funeral took place on Tuesday, June 23rd. The parents have the sympathy of the district in their bereavement.

Whitford, June 24th.

VEGREVILLE

A public meeting of the ratepayers of the Vegreville school district was held last Saturday. Two new trustees were elected to fill two vacancies recently created on the school board. Dr. A. E. Goodwin was elected by acclamation to fill the position left vacant by the withdrawal from the district.

Mr. Jno. Fleming was also elected to fill the position formerly held by Mr. J. H. Watts. We are sorry to lose Mr. Lambert from the trustee board for he was one of those who were always exceedingly frank and plain in what he had to say on all educational matters.

We are much pleased to see a school district elect to the offices of trustees men who are parents and particularly men who have a knowledge of the value of an education for the growing heritage of our fair Dominion.

The Vermilion bridge east of us is now completed, thanks to the efficiency of Mr. Alton and his crew of expedition bridge builders. Six miles up the valley, Mr. Alton is at present busy constructing another bridge, which when completed, will add much to the

comfort of travellers crossing the Vermilion in that locality.

A meeting of those interested in the erection of a Presbyterian church in Vegreville was held last week at the home of Mr. McGinnis. Quite a number of representatives were present from all parts of the district, but so far as we have been able to learn, no business of any definite character was transacted. Another meeting has been announced for this week to be held in Robertson's Hall on Friday, June 26th.

Mr. William Still met with a misfortune last week in having one of his horses almost fatally mutilated on a barb wire fence.

Mr. Geo. Robertson, one of our most diligent and enterprising merchants, arrived recently from Edmonton accompanied by seven loads of freight. Mr. Robertson's yard has now the appearance of a large implement emporium.

Rev. F. W. Cox, Methodist missionary from Beaver Lake, conducted services on this field last Sunday.

Dr. A. H. Goodwin, our genial faced rancher, arrived recently from Edmonton. The doctor drove out several cattle and made the trip in something less than four days.
